

IPROMS Approved Bid Summary Sheet																
Year 2 01.10.05 to 30.09.06																
	N/C <sup>1</sup>	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Partner		Cardiff	Profactor	CTU	VTT	ENIT	Robosoft	INRIA	TUC	FhG/PA	Schneider Electric	FhG/AO	IFW	FhG/PAK	UP	DCU
APM/4 - Preparation and publishing of foresight report	C												4000	2000		
APM/5 - Form. grand challenges for each cluster area	C												4000	2000		
APM/6 - Updating of SoA review for research areas	C												1400			
APM/7 - Updating of catalogue key enabling features	C												1200			
APM/8 - Updating of research roadmap for each cluster	C												1400	2000		
NET/20 - Subs. Participation in IPROMS jointly organized events	N											800				
NET/21 - Hosting training researchers from outside network	N			1500												
NET/22 - Hosting/org. events,conf,seminars,workshops	N															
NET/23 - Hosting/training Network researchers 2days/2wks	N															
NET/24 - Hosting/org events,mini symposium/special session	N															
NET/25 - Hosting/org events, (conf,seminars,workshops etc	N	500														
NET/26 - Subs participation in jointly organised IPROMS events	N	400									400	400			400	
NET/27 - Hosting/org events,seminars,workshops,sessions	N															
NET/28 - Hosting/training network researchers 2days/2wks	N	1200														
NET/29 - Hosting/training network researchers 2days/2wks	N											400+100/day				200/day/re
NET/30 - Hosting/training network researchers 2days/2wks	N	5800					1000									2800
NET/31 - Pro-active visits to local companies	N															
NET/32 - Hosting/training network researchers 2days/2wks	N	200/day/researcher			800+100				800+100				800+100			800+100
NET/33 - Hosting/org events,seminars,workshops,sessions	N															
NET/34 - Hosting/org events,seminars,workshops,sessions	N															
NET/35 - Hosting/org events,seminars,workshops,sessions	N															
NET/36 - Hosting/org events,seminars,workshops,sessions	N															
NET/37 - Contributing page changes in prestigious int. journal	N															
NET/38 - Hosting training researchers from outside network	N															
NET/39 - Hosting/training network researchers 2days/2wks	N	1600							2400							
NET/40 - Pro-active visits to local companies	N															
NET/41 - FOF workshop 15 - 16.06.2006	N															
NET/42 - Organizing of IEEE 2006 DIS Workshop	N			800												
NET/43 - Organ. event promoting women in science & research	N															
NET/44 - Subs participation in IPROMS sponsored/co-spons	N															
NET/45 - Hosting/org & participation in events	N	1500										800				800
NET/46 - Subsiding participation in IPROMS jointly org events	N	800								800	800				800	
Total		11800	0	2300	0	0	1000	0	2400	800	2000	1200	12000	6000	4000	800
<sup>1</sup> Network or Cluster																
Approval required from EB and GC																
Approved by EB - to be ratified by GC
